

Editorial

Dear Reader,

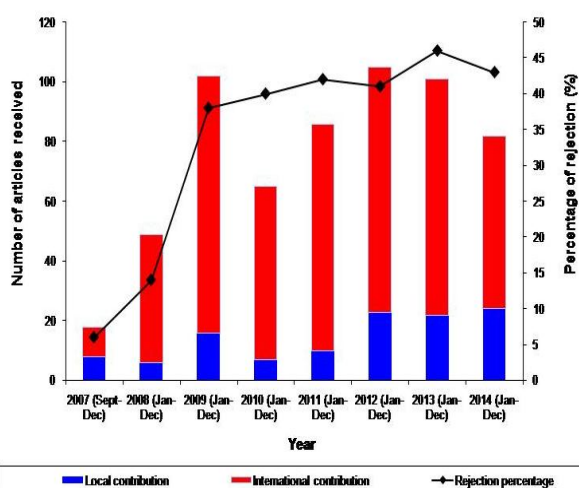

Greetings to all of you. The current MJM issue, which is Vol.11 Issue No.1 published in March contains 10 research articles.

Last year, we received a total of 85 manuscripts for processing. The contributions from international authors were at a total of 68% while 32% were from local authors.

As of December 2014, 49 articles were accepted for publication and 36 articles were rejected (rejection rate of 43%). Currently, there are 24 articles under reviewing process. It is of interest to note that last year we received manuscripts from 15 different countries. The number of articles received from international authors is increasing rapidly.

Detailed statistics since September 2007
